DETAILED ACTION

Oath/Declaration

The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

It does not identify the mailing address of each inventor. A mailing address is an address at which an inventor customarily receives his or her mail and may be either a home or business address. The mailing address should include the ZIP Code designation. The mailing address may be provided in an application data sheet or a supplemental oath or declaration. See 37 CFR 1.63(c) and 37 CFR 1.76.

It does not identify the city and either state or foreign country of residence of each inventor. The residence information may be provided on either on an application data sheet or supplemental oath or declaration.

Allowable Subject Matter

Claims 1-16 are allowed. The following is a statement of reasons for the indication of allowable subject matter:

The Examiner considered Patent Number US 6,769,569 B1 by Yu to be the prior art most closely related to the Applicant's claimed invention. Although the panel 25 disclosed by Yu covers through groove 2311 in positioning plate 231 (see Figure 5) to allow a card 4 to enter a vending machine, Yu fails to disclose or suggest either the first and second guide flanges terminating at the mouth of a bill validator (Applicant's

Art Unit: 3653

independent claims 1 and 11), or a bill-guiding passageway located between the security plate and the vending machine slot (Applicant's independent claim 6).

Conclusion

The following prior art made of record and not relied upon is considered pertinent to applicant's disclosure:

Patent Number US 6,755,053 B1 by Dias because of its front surface 20 of enclosure 12,

Patent Number 5,709,159 by Mercer et al because of its slot 104, and

Patent Number 4,418,551 by Kochackis because of its access opening 22.

This application is in condition for allowance except for the above-mentioned declaration deficiencies. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
